

Charles Sturt  
University

I want to personally congratulate you on your Executive Dean's Award. Your achievement is particularly noteworthy in a period where COVID has disrupted so many lives, and we've had to learn to adapt. But you've maintained a focus on your studies, set high standards, and achieved outstanding results. We in the Faculty of Arts and Education are very proud of your achievements. Best wishes for your future endeavours.

**Professor John McDonald**

Executive Dean  
Faculty of Arts and Education
