

Charles Sturt  
University

I want to offer my personal congratulations on your Executive Dean's Award for the end of 2021.

I have no doubt that COVID has disrupted many of your personal, professional and study plans. However, your capacity and dedication to your studies at Charles Sturt is clearly reflected in your academic results. A truly impressive achievement. On behalf of all the staff in the Faculty of Arts and Education — well done! We are proud of you.

Best wishes for your future.
